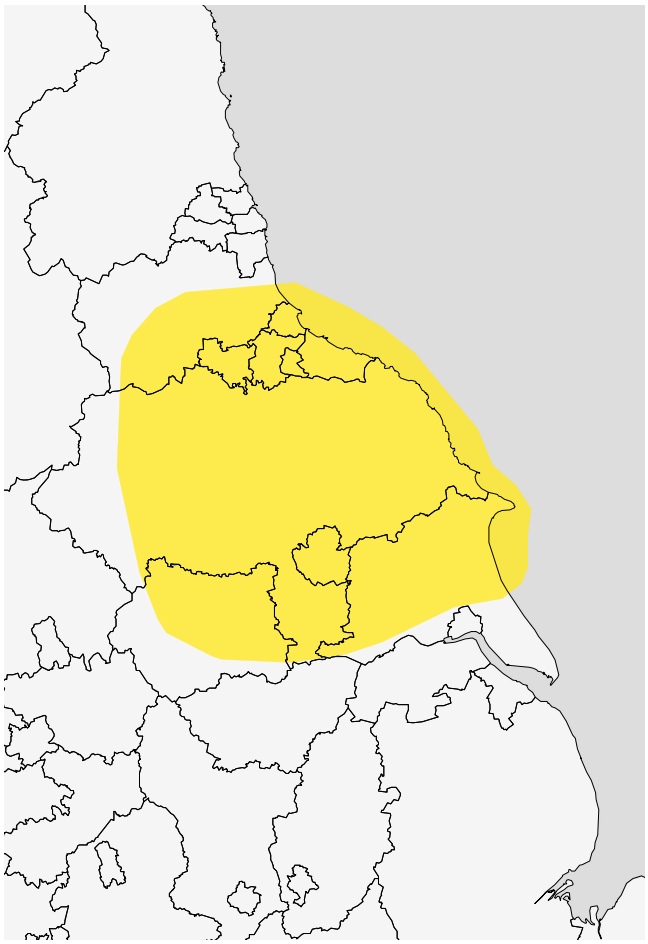
Yellow warning
Rain

Between
08:28 Wed 9 Oct 2024 and
15:00 Wed 9 Oct 2024



A band of persistent, heavy rain will move slowly south and may lead to some disruption to transport and infrastructure

What to expect

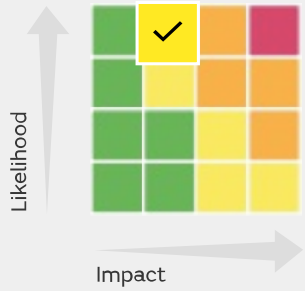
- Spray and flooding on roads will make journey times longer
- Bus and train services affected with journey times taking longer
- Some interruption to power supplies and other services

Further details

A band of heavy rain will move slowly south through Wednesday, before clearing during the afternoon. A further 20-30mm of rain is likely, with a few places perhaps seeing 40mm or more, leading to some travel disruption.

What should I do?

Give yourself the best chance of avoiding delays by checking road conditions if driving, or bus and train timetables, amending your travel plans if necessary.



✓ High likelihood of low impacts

Yellow warning
Rain

Between
08:28 Wed 9 Oct 2024 and
15:00 Wed 9 Oct 2024

Further Details (continued)

People cope better with power cuts when they have prepared for them in advance. It's easy to do; consider gathering torches and batteries, a mobile phone power pack and other essential items.

Be prepared for weather warnings to change quickly: when a weather warning is issued, the Met Office recommends staying up to date with the weather forecast in your area.
